

# June AI Contest – Official Rules

## 1. Eligibility

- Open to all Valtech employees.
- Participation is **individual only** but you can submit multiple ideas — no teams allowed.

## 2. Contest Duration

- Runs until **June 20, 2025**.
- You can submit your idea **anytime until the end of June 20**.

## 3. Tracks / Categories

You may submit an idea under one of the following tracks:

-  **No-Code Idea Challenge**  
Share a smart AI-powered solution or business idea — **no coding required**.
-  **Productivity & Wellbeing**  
Propose AI-driven tools or ideas that can boost productivity and support mental or physical wellbeing.
-  **Diversity, Equity & Inclusion**  
Suggest AI-driven ideas to build a more inclusive work environment.

## 4. Submission Requirements

Each participant must submit:

- A **title** and **short description** (max 500 words)
- An explanation of the AI concept or value
- (Optional) Visual mockups, diagrams, or references

- Use the official submission form (Microsoft Forms link)

## 5. Judging Criteria

Submissions will be evaluated on:

Criterion	Weight
Innovation & Originality	30%
Feasibility & Impact	30%
Relevance to Track Theme	20%
Clarity & Presentation	20%

A judging panel will include Valtech Portugal tech leaders and special guests.

## 6. Prize

**Winner receives a €100 GoGift voucher**

Winner will be announced during **Tech & Saints Week**, June 27.

## 7. Other Info

- By participating, you agree your idea may be shared internally.
